That's a shame,

I done practiced that all night.

178

00:16:03,000 --> 00:16:04,047

No good?

179

00:16:06,480 --> 00:16:08,164

I didn't say that.

180

00:16:28,040 --> 00:16:30,884

What's the difference

between an artery and a vein?

181

00:16:33,160 --> 00:16:36,369

- What are you talking about?

- The boy's accident.

182

00:16:38,720 --> 00:16:40,165

Arteries spurt blood.

183

00:16:42,160 --> 00:16:43,650

And veins?

184

00:16:45,000 --> 00:16:46,047

Bleed.

185

00:16:49,440 --> 00:16:50,560

I think you need to practice

186

00:16:50,600 --> 00:16:53,444

your boy/girl dating talk

at home before you come out.

187

00:16:53,520 --> 00:16:55,363

Yeah, I probably do.

188

00:16:57,000 --> 00:16:59,162

I'll give you a book

if you're that interested.

189

00:17:00,760 --> 00:17:02,046

On dating?

190

00:17:03,120 --> 00:17:05,088

On blood.

191

00:17:13,560 --> 00:17:16,245

Another medical question perhaps?

192

00:17:16,320 --> 00:17:19,642

No. I just think you're the

prettiest thing I ever seen.

193

00:17:21,200 --> 00:17:23,282

That's because I'm sitting in the dark.

194

00:17:26,360 --> 00:17:30,365

No, you're just beautiful.

195

00:17:55,240 --> 00:17:56,924

Out of the way!

196

00:17:58,760 --> 00:18:00,808

You need to watch where you're going.

197

00:18:12,720 --> 00:18:14,404

I'm sorry.

I didn't think you'd mind.

198

00:18:15,560 --> 00:18:16,641

You didn't ask.

199

00:18:18,080 --> 00:18:21,641

- I thought you might have liked it.

- Well, I might have if you'd asked.

200

00:18:32,400 --> 00:18:33,447

You coming?

201

00:18:36,240 --> 00:18:38,160

Watch where you're walking!

202

00:18:59,440 --> 00:19:01,090

Why didn't you say nothing to us?

203

00:19:01,200 --> 00:19:03,136

'Cause you would have tried

and talked me out of it,

204

00:19:03,160 --> 00:19:06,403

- and I know what I'm doing is right.

- And what about His Commandment?

205

00:19:06,480 --> 00:19:09,450

It's not killing in a war.

It's protecting.

206

00:19:09,520 --> 00:19:11,329

Loads of boys

from our church are going.

207

00:19:11,400 --> 00:19:14,449

- Yeah.

- There is a war and they need men.

208

00:19:14,520 --> 00:19:16,920

And working in a paper mill

ain't going to save this country.

209

00:19:25,600 --> 00:19:30,049

Looks like a movie star, our boy.

210

00:19:32,480 --> 00:19:36,690

Nice uniform, good hat.

211

00:19:39,160 --> 00:19:43,290

Reminds me of how Artie Giddens looked

in his uniform when we went to France.

212

00:19:45,400 --> 00:19:47,004

- Remember him, Bertha?

- Don't, Tom.

213

00:19:47,120 --> 00:19:48,167

What?

214

00:19:50,000 --> 00:19:54,369

I'm just saying how snappy

Artie looked in his uniform.

215

00:19:54,440 --> 00:19:57,125

All you girls

certainly seemed to think so.

216

00:19:57,200 --> 00:20:00,170

He had them flocking to him.

He was most proud.

217

00:20:06,160 --> 00:20:07,969

I just hope that

when our Hal gets shot,

218

00:20:08,040 --> 00:20:10,566

it's through the front of his jacket.

219

00:20:10,640 --> 00:20:13,769

Like a simple entry wound,

not much mess.

220

00:20:14,080 --> 00:20:15,650

Artie got hit in the back,

221

00:20:15,720 --> 00:20:20,282

it blew most of his guts and intestines

out his front, offal everywhere.

222

00:20:22,560 --> 00:20:24,767

Wrecked his uniform entirely.

223

00:20:28,720 --> 00:20:30,165

It was lucky he was dead,

224

00:20:30,240 --> 00:20:33,608

so he never knew

how awful his uniform looked.

225

00:20:38,320 --> 00:20:39,890

Get outta of my sight.

226

00:21:39,160 --> 00:21:40,969

What are you, part mountain goat?

227

00:21:43,160 --> 00:21:45,527

Are you going to help me, Desmond Doss,

228

00:21:45,600 --> 00:21:47,443

or are you just going

to leave me stranded?

229

00:21:51,840 --> 00:21:54,525

I'll help you, but it's gonna cost you.

230

00:21:54,600 --> 00:21:55,681

What?

231

00:21:56,240 --> 00:21:57,241

A kiss.

232

00:21:59,800 --> 00:22:02,644

- That is pure blackmail.

- Well, yes, ma'am, it is.

233

00:22:02,720 --> 00:22:04,688

But that is still my condition.

234

00:22:07,440 --> 00:22:11,365

That's the deal.

And I'm going to hold you to it.

235

00:22:24,520 --> 00:22:26,329

Well, hold on now.

236

00:22:28,640 --> 00:22:30,563

You ain't gonna slap me, are you?

237

00:22:30,640 --> 00:22:33,007

'Cause I fall off,

I'm going to take you with me.

238

00:22:33,600 --> 00:22:35,364

Kiss me and find out.

239

00:23:24,400 --> 00:23:25,401

What?

240

00:23:26,800 --> 00:23:28,609

I have to enlist.

241

00:23:29,800 --> 00:23:32,406

I can't stay here while

all of them go fight for me.

242

00:23:32,480 --> 00:23:35,324

- Yes, you can. You can stay here.

- Dorothy, I have to.

243

00:23:35,400 --> 00:23:37,084

I want to be a medic.

244

00:23:37,160 --> 00:23:39,367

I figure I'll be saving people,

not killing them.

245

00:23:43,400 --> 00:23:45,687

I have to go to work.

I'm going to be late.

246

00:23:48,680 --> 00:23:52,321

Dorothy. Dorothy, darling.

Dorothy. Dorothy!

247

00:23:55,760 --> 00:23:57,762

So are you going to ask me

to marry you or what?

248

00:24:00,360 --> 00:24:02,200

Well, I don't know.

You still going to have me?

249

00:24:02,240 --> 00:24:05,403

Well, I wouldn't know,

you haven't asked.

250

00:24:05,480 --> 00:24:10,122

Well, I'm asking you,

with all my heart and then some.

251

00:24:10,200 --> 00:24:14,250

- Will you marry me?

- Then, yes. Yes, I will.

252

00:24:24,000 --> 00:24:25,411

When?

253

00:24:25,480 --> 00:24:26,925

Soon as you get your first leave.

254

00:24:27,000 --> 00:24:29,162

But I still don't like you

at this moment.

255

00:24:29,480 --> 00:24:31,289

- Yeah.

- Okay.

256

00:24:31,360 --> 00:24:33,806

Okay. Well, I love you.

257

00:24:33,880 --> 00:24:36,008

Shh!

258

00:24:47,080 --> 00:24:49,560

Momma said come see you here.

259

00:24:49,640 --> 00:24:50,721

Yeah.

260

00:24:54,800 --> 00:24:57,087

These three were my best friends.

261

00:24:58,440 --> 00:25:00,920

I grew up with 'em,

262

00:25:01,000 --> 00:25:03,000

I got into trouble with 'em,

chased girls with 'em.

263

00:25:04,000 --> 00:25:05,240

And I enlisted with 'em.

264

00:25:07,760 --> 00:25:09,808

Now my friends are there,

265

00:25:11,400 --> 00:25:14,563

covered in dirt and grass

and eaten by worms.

266

00:25:17,480 --> 00:25:19,403

I don't want to have

to visit my sons here.

267

00:25:20,880 --> 00:25:23,486

Daddy, I signed up already.

268

00:25:26,440 --> 00:25:30,923

I couldn't do otherwise, Pop.

Everybody else is doing...

269

00:25:31,000 --> 00:25:32,684

You ain't everybody else!

270

00:25:35,000 --> 00:25:37,924

Everybody else jumps in

and does things quick, without thinking!

271

00:25:38,000 --> 00:25:41,766

Like the damn idiot fools we were.

272

00:25:41,840 --> 00:25:44,571

And soldiers who live,

they live because they can do that!

273

00:25:44,640 --> 00:25:46,244

You can't!

274

00:25:46,760 --> 00:25:50,606

Look, you gotta sit

and think and pray about everything.

275

00:25:50,680 --> 00:25:53,650

I mean, look at you,

you're doing it right now.

276

00:25:53,720 --> 00:25:55,802

You won't be able

to live with yourself if you go.

277

00:25:55,880 --> 00:25:57,882

No, I won't be able

to live with myself if I don't.

278

00:25:57,960 --> 00:26:01,931

I'm going to be a medic.

That's going to be my way to serve.

279

00:26:02,000 --> 00:26:04,890

See, there you go, thinking it all out.

280

00:26:05,000 --> 00:26:10,370

What, you figure this war is just

going to fit in with you, your ideas?

281

00:26:10,440 --> 00:26:12,727

Well, I don't doubt

it's going to be hard.

282

00:26:14,560 --> 00:26:17,484

It won't be hard, it'll be impossible.

283

00:26:17,560 --> 00:26:21,360

You know, whatever beliefs you have

in your crazy head now,

284

00:26:21,440 --> 00:26:24,603

they won't ever play out.

It don't work that way.

285

00:26:24,680 --> 00:26:27,684

And if by some, I don't know,

miracle chance you survive,

286

00:26:27,760 --> 00:26:30,525

you won't be giving no thanks to God.

287

00:26:35,120 --> 00:26:36,400

- Ready?

- Ready.

288

00:26:36,440 --> 00:26:37,536

Y'all need some air.

289

00:26:37,560 --> 00:26:39,576

Come on, fellas, shake a leg.

Uncle Sam's got you now.

290

00:26:39,600 --> 00:26:43,002

Say goodbye to Momma. Come on.

291

00:26:43,120 --> 00:26:45,487

Ladies, please, step away from the bus.

292

00:26:45,560 --> 00:26:48,370

- I almost forgot. Here.

- Do I need a crowbar?

293

00:26:49,080 --> 00:26:52,129

I want you to have this.

It's mine.

294

00:26:54,080 --> 00:26:57,562

You keep it right here, where I'll be.

295

00:27:01,960 --> 00:27:04,008

- Bye.

- Bye.

296

00:27:07,880 --> 00:27:09,644

I love you.

297

00:27:47,000 --> 00:27:49,128

Hey, don't say that about my girl.

298

00:27:49,200 --> 00:27:50,770

- What else...

- Hey. Oh.

299

00:27:50,840 --> 00:27:53,161

Hey. Sorry, pal.

300

00:27:53,240 --> 00:27:55,208

...means you're the person.

301

00:27:56,080 --> 00:27:59,607

- They got me a bum steer.

- Nah, it's just a bum.

302

00:27:59,680 --> 00:28:02,650

Do I have to gaze at your deformity

every time I walk to my bed?

303

00:28:02,720 --> 00:28:05,371

Gaze upon it in envy, my friend.

304

00:28:06,960 --> 00:28:11,568

You okay there?

You look lost. Vacancy right here.

305

00:28:11,640 --> 00:28:15,087

Wise choice. It's got views of

the mountains down to the lake.

306

00:28:15,160 --> 00:28:16,366

Randall Fuller.

307

00:28:17,680 --> 00:28:19,409

Desmond Doss.

308

00:28:19,480 --> 00:28:22,450

Call him "Teach." No one

understands a word he says.

309

00:28:22,520 --> 00:28:24,329

That's because

no one else here can read.

310

00:28:24,400 --> 00:28:27,643

The testicles there belong to a man

calling himself "Hollywood."

311

00:28:27,720 --> 00:28:30,166

They look like they belong

to a smaller guy.

312

00:28:30,240 --> 00:28:32,000

You know testicles.

313

00:28:33,280 --> 00:28:36,921

Oh! Hey, I just got these shoes.

314

00:28:37,000 --> 00:28:40,209

Hey, uh, Grease Nolan, outta Red Hook.

Where you from?

315

00:28:40,320 --> 00:28:41,970

- Virginia.

- Ooh, hillbilly, huh?

316

00:28:42,040 --> 00:28:45,806

You marry your first cousin?

I'm just joking.

317

00:28:46,720 --> 00:28:47,846

Whoa!

318

00:28:47,920 --> 00:28:50,082

That's Smitty over there,

whipping Kirzinski's ass.

319

00:28:50,160 --> 00:28:51,616

Like you were doing

any better, chowder head.

320

00:28:51,640 --> 00:28:53,165

Hey, I didn't want to embarrass you.

321

00:28:53,240 --> 00:28:55,208

Wal Kirzinski, nice to meet you.

322

00:28:55,280 --> 00:28:58,250

Hey, beanpole,

what did you say your name was?

323

00:28:58,320 --> 00:28:59,560

Desmond Doss.

324

00:29:02,000 --> 00:29:04,924

That's Tex Lewis over there,

he thinks he's some kind of cowboy.

325

00:29:05,000 --> 00:29:08,721

And, uh, Vito Rinnelli.

He may be small, but he is a bulldog.

326

00:29:08,800 --> 00:29:10,086

- Hey.

- How you doing?

327

00:29:10,160 --> 00:29:11,764

- Desmond.

- Yeah.

328

00:29:11,840 --> 00:29:13,604

This handsome guy

right here is Lucky Ford.

329

00:29:13,680 --> 00:29:14,681

Hey.

330

00:29:14,760 --> 00:29:17,684

That's Walker and Pinnick over there

pretending they're card sharks.

331

00:29:17,760 --> 00:29:19,171

Pipe down, Grease, all right?

332

00:29:19,240 --> 00:29:21,402

Unless you want to

put your money where your mouth is.

333

00:29:23,120 --> 00:29:27,205

Oh, hey, the old good book, right?

334

00:29:27,280 --> 00:29:29,931

I think Lucky's got a good book.

335

00:29:30,000 --> 00:29:32,162

- Right, Lucky?

- It's a good read.

336

00:29:33,600 --> 00:29:35,762

Attention!

337

00:29:37,160 --> 00:29:38,650

Line up! Move it!

338

00:29:38,720 --> 00:29:41,087

Let's go, move it. Move it.

339

00:30:10,920 --> 00:30:12,888

You are a very

strange-looking individual

340

00:30:12,960 --> 00:30:14,769

if you don't mind me

saying so, Private.

341

00:30:14,840 --> 00:30:17,047

- Name?

- Andy Walker.

342

00:30:17,120 --> 00:30:18,804

How long have you been dead, son?

343

00:30:19,200 --> 00:30:21,282

- Sir?

- I am not "Sir"!

344

00:30:21,360 --> 00:30:26,241

I am Sergeant Howell or Sarge.

"Sir" you save for useless people.

345

00:30:28,160 --> 00:30:31,403

- The name is "Ghoul," you say?

- Walker, Sergeant!

346

00:30:31,480 --> 00:30:33,767

- Ghoul it is.

- Yes, Sergeant!

347

00:30:49,280 --> 00:30:52,045

There's something off

in your presentation, Private.

348

00:30:52,160 --> 00:30:53,969

Can't place it.

349

00:30:54,800 --> 00:30:56,165

Is it your hair?

350

00:30:57,400 --> 00:30:59,801

Is it the wrinkle in your trousers?

351

00:30:59,920 --> 00:31:01,360

I have a knife in my foot, Sergeant.

352

00:31:02,400 --> 00:31:06,041

Oh, yes, of course, that's it.

The knife.

353

00:31:06,120 --> 00:31:07,963

- What is your name, soldier?

- Smitty Ryker.

354

00:31:08,040 --> 00:31:11,761

No, your name is Private Idiot.

Do you know why?

355

00:31:11,840 --> 00:31:14,776

- Because I have a knife in my foot.

- Who placed the knife there, Private?

356

00:31:14,800 --> 00:31:16,536

It was an accident, Sarge.

We was playing Stretch.

357

00:31:16,560 --> 00:31:19,769

I am heartened by the knowledge you

did not place it there with intention.

358

00:31:19,840 --> 00:31:22,684

Who threw the knife?

359

00:31:22,760 --> 00:31:26,003

I did, Sergeant. Private Kirzinski.

360

00:31:26,080 --> 00:31:29,801

You look part Indian.

To what tribe do you belong, son?

361

00:31:29,880 --> 00:31:31,211

No, I'm Polish.

362

00:31:31,280 --> 00:31:34,489

Wrong. I believe you must have

Cherokee or Shawnee blood in you.

363

00:31:34,560 --> 00:31:36,289

- No, Sergeant.

- Are you contradicting me,

364

00:31:36,360 --> 00:31:39,045

- you wagon-burning son of a bitch?

- No, Sergeant!

365

00:31:39,120 --> 00:31:41,043

Let me see your Indian war cry, son.

366

00:31:41,120 --> 00:31:42,296

I don't...

367

00:31:43,920 --> 00:31:46,048

Louder! Let me see it.

368

00:31:47,080 --> 00:31:49,924

What is your animal spirit?

Are you a garter snake?

369

00:31:50,000 --> 00:31:51,445

- No, Sergeant!

- Are you a chipmunk?

370

00:31:51,520 --> 00:31:54,000

- No, Sergeant!

- Are you a dancing reindeer?

371

00:31:54,080 --> 00:31:56,321

- No, Sergeant!

- Are you contradicting me, Private?

372

00:31:56,400 --> 00:31:59,051

- No, Sergeant!

- Good.

373

00:31:59,120 --> 00:32:01,282

Then I shall henceforth call you "Chief"

374

00:32:01,360 --> 00:32:03,601

as a sign of great respect

to your people.

375

00:32:04,960 --> 00:32:06,121

Thank you, Sergeant!

376

00:32:08,120 --> 00:32:10,416

Are you grinning at me, boy,

or is that your natural state?

377

00:32:10,440 --> 00:32:11,441

No, Sergeant.

378

00:32:11,520 --> 00:32:13,727

- Name, Private?

- Desmond Doss.

379

00:32:13,800 --> 00:32:16,406

I have seen stalks of corn

with better physiques.

380

00:32:16,480 --> 00:32:18,881

Makes me want to pull

an ear off, Private.

381

00:32:18,960 --> 00:32:21,008

- Can you carry your weight?

- Yes, Sergeant!

382

00:32:21,080 --> 00:32:23,242

Should be easy for you, then.

383

00:32:23,320 --> 00:32:24,526

- Corporal.

- Sergeant.

384

00:32:24,600 --> 00:32:26,841

Make sure you keep this man

away from strong winds.

385

00:32:26,920 --> 00:32:28,001

Yes, Sergeant.

386

00:32:30,480 --> 00:32:32,244

- Private Idiot.

- Yes, Sergeant.

387

00:32:32,320 --> 00:32:34,607

Raise your foot. Higher.

388

00:32:36,040 --> 00:32:40,170

Everyone outside. Now! Move it.

389

00:32:42,080 --> 00:32:43,206

I said move it.

390

00:32:43,280 --> 00:32:44,776

All right.

Just getting in my uniform, Sarge.

391

00:32:44,800 --> 00:32:47,406

- Did I ask him to, Corporal?

- No memory of it, Sarge.

392

00:32:47,480 --> 00:32:50,927

I believe any man who takes

such pride in his natural naked state

393

00:32:51,000 --> 00:32:53,321

will surely enjoy

the brisk of the outdoors.

394

00:32:53,400 --> 00:32:56,449

Now move your privates, Private Parts!

395

00:32:56,520 --> 00:33:00,525

Move it! You son of an exhibitionist!

396

00:33:01,480 --> 00:33:04,848

I am going to teach you

how to tie a bowline knot,

397

00:33:04,960 --> 00:33:08,089

so you can get your sorry asses

down from a height,

398

00:33:08,160 --> 00:33:10,288

so I may then kick them!

399

00:33:10,360 --> 00:33:13,443

Create a loop.

This is the rabbit hole.

400

00:33:13,520 --> 00:33:17,161

The rabbit comes out of his hole,

runs around the tree,

401

00:33:17,240 --> 00:33:21,882

goes back into the hole.

All right, let's go!

402

00:33:24,040 --> 00:33:25,644

Very good, Tex.

403

00:33:26,040 --> 00:33:28,486

Keep struggling, Teach.

404

00:33:28,560 --> 00:33:30,085

Have you ever roped a goat, Hollywood?

405

00:33:30,960 --> 00:33:32,086

No, Sarge.

406

00:33:32,160 --> 00:33:33,844

Have you ever looked into a goat's eyes?

407

00:33:33,920 --> 00:33:35,680

- No, Sarge.

- Good, that would be unnatural.

408

00:33:38,040 --> 00:33:39,690

You know if you don't breathe,

you'll die.

409

00:33:39,760 --> 00:33:43,128

- Mmm-hmm.

- Good, Private Idiot.

410

00:33:45,360 --> 00:33:49,331

Congratulations, Greaseball, you just

fell 50 feet and broke your neck!

411

00:33:50,640 --> 00:33:53,166

Brilliant, Private Vito Rinnelli.

412

00:33:53,240 --> 00:33:55,846

You strangled yourself, numb nuts!

413

00:33:55,920 --> 00:33:57,684

- Are you a fan of Benito?

- No, Sergeant.

414

00:33:57,760 --> 00:34:00,923

A bit taller.

If you were American, you'd be taller.

415

00:34:05,280 --> 00:34:09,330

What've we got here, Doss,

one for each titty?

416

00:34:09,440 --> 00:34:13,081

You were tying a bowline, boy,

not building a bra!

417

00:34:15,400 --> 00:34:18,131

- What is so funny, Corporal?

- Couldn't tell you, Sergeant.

418

00:34:20,600 --> 00:34:23,809

Come on! Come on, ladies,

pick it up! Move it! Move it!

419

00:34:23,880 --> 00:34:26,531

I want to see some fire here.

A little hustle.

420

00:34:26,600 --> 00:34:28,011

Show me something!

421

00:34:28,080 --> 00:34:29,336

Run like you mean it!

422

00:34:29,360 --> 00:34:32,176

- Down, down, down! Faster, faster!

- Come on. Move it! Move it!

423

00:34:32,200 --> 00:34:34,726

Let's go, it's bath time, boys!

It's bath time!

424

00:34:36,080 --> 00:34:37,923

Move! Move! Move!

425

00:34:38,000 --> 00:34:40,082

I want to see you work. Let's go!

426

00:34:40,160 --> 00:34:41,810

Dig, dig, dig!

427

00:34:41,880 --> 00:34:44,360

Don't forget behind your ears.

Let's go. Move!

428

00:34:44,440 --> 00:34:48,126

I bet you're enjoying this,

you naked degenerate.

429

00:34:48,200 --> 00:34:51,409

Let's go! Hustle.

Hustle. Hustle. Move!

430

00:34:52,960 --> 00:34:57,602

Let's go! What are we waiting on?

Let's go! Move your ass!

431

00:34:57,680 --> 00:35:00,650

Get the wood! Get the wall!

Don't get splinters!

432

00:35:00,720 --> 00:35:02,131

Drive!

433

00:35:02,200 --> 00:35:03,565

Drive!

434

00:35:03,640 --> 00:35:04,926

Jeez, are you okay?

435

00:35:05,040 --> 00:35:06,929

Yeah, I'm fine.

436

00:35:07,040 --> 00:35:10,647

- Some spirit here, boys. Move!

- Come on, move!

437

00:35:10,720 --> 00:35:13,644

What the hell is wrong

with you? No one said take a rest!

438

00:35:13,720 --> 00:35:17,042

Move your asses to the finish line!

Move! Move!

439

00:35:18,040 --> 00:35:19,929

Hustle! Hustle!

440

00:35:20,000 --> 00:35:22,207

Get your asses across that line!

441

00:35:23,400 --> 00:35:26,051

Time! Nice work, Doss!

442

00:35:32,400 --> 00:35:35,688

This is a personal gift

from the United States government

443

00:35:35,760 --> 00:35:37,444

to each and every one of you.

444

00:35:37,520 --> 00:35:42,082

A standard issue U.S. rifle,

caliber .30, M1,

445

00:35:42,200 --> 00:35:45,409

a clip-fed, shoulder-fired,

semi-automatic weapon

446

00:35:45,480 --> 00:35:49,201

designed to bring death

and destruction to the enemy.

447

00:35:49,280 --> 00:35:54,081

This is to be your lover,

your mistress, your concubine.

448

00:35:54,160 --> 00:35:58,131

Perhaps the only thing in life

you will ever truly love.

449

00:35:58,200 --> 00:36:01,090

Fellas, let's dance. Grab a girl.

450

00:36:02,520 --> 00:36:04,522

Don't point your gun forward.

451

00:36:04,640 --> 00:36:06,722

I do not want to be shot today.

452

00:36:06,800 --> 00:36:09,087

No matter how much you are tempted.

453

00:36:09,160 --> 00:36:11,083

Place the weapon by your side.

454

00:36:13,200 --> 00:36:14,531

Pay attention.

455

00:36:22,240 --> 00:36:23,765

Problem, Private Corn Stalk?

456

00:36:23,840 --> 00:36:27,686

Is there not one in your size,

or is it the color that is the issue?

457

00:36:27,760 --> 00:36:29,250

No, Sarge.

458

00:36:31,720 --> 00:36:35,247

I was... I was told

I don't have to carry a weapon.

459

00:36:35,320 --> 00:36:38,244

Come again? Step forward, Private.

I can't be hearing this right.

460

00:36:44,120 --> 00:36:45,690

Well, I'm sorry, Sergeant.

461

00:36:47,520 --> 00:36:49,363

I can't touch a gun.

462

00:36:52,240 --> 00:36:53,685

What exactly is the problem?

463

00:36:53,760 --> 00:36:55,888

No problem, just a mistake, sir.

464

00:36:55,960 --> 00:36:58,008

I told the Army when I joined up.

465

00:36:58,080 --> 00:36:59,684

That's not possible.

466

00:36:59,760 --> 00:37:01,967

Do you know why

it's not possible, Private?

467

00:37:02,040 --> 00:37:03,451

No, sir.

468

00:37:03,520 --> 00:37:06,171

Because the United States Army

does not make mistakes.

469

00:37:06,240 --> 00:37:10,450

So if there's a problem,

you must be that problem.

470

00:37:10,520 --> 00:37:13,603

I was just never supposed to be sent

to a rifle company.

471

00:37:13,680 --> 00:37:15,409

He's a C.O., sir.

472

00:37:20,320 --> 00:37:24,166

You're a conscientious objector,

and you joined the Army?

473

00:37:24,240 --> 00:37:28,529

Well, no, sir,

I'm a conscientious cooperator.

474

00:37:30,640 --> 00:37:34,531

- Are you screwing with me, Doss?

- No. No, sir. I volunteered.

475

00:37:34,600 --> 00:37:37,410

I ain't got no problem

with wearing my uniform,

476

00:37:37,480 --> 00:37:39,528

or saluting the flag and doing my duty.

477

00:37:39,600 --> 00:37:43,685

It's just carrying a gun

and the taking of human life.

478

00:37:44,800 --> 00:37:48,521

- You don't kill? That's all.

- Yes, sir, that's all.

479

00:37:48,600 --> 00:37:51,251

You know quite a bit

of killing does occur in a war?

480

00:37:51,320 --> 00:37:52,367

Yes, sir.

481

00:37:52,440 --> 00:37:54,408

I mean,

that is the essential nature of war.

482

00:37:54,480 --> 00:37:57,723

- Yes, sir.

- All right.

483

00:37:57,800 --> 00:38:01,122

Do you have any other requirements

of the United States Army?

484

00:38:01,200 --> 00:38:03,016

Is there anything else

that we can do to ensure

485

00:38:03,040 --> 00:38:04,736

that you have

a comfortable stay here with us?

486

00:38:04,760 --> 00:38:07,604

He doesn't want to work

on Saturdays, sir.

487

00:38:07,720 --> 00:38:10,963

Well, Saturdays...

I'm a Seventh-day Adventist.

488

00:38:11,040 --> 00:38:16,046

So, Saturday is my Sabbath,

so I'm not allowed to work then.

489

00:38:16,120 --> 00:38:18,566

I don't think that poses a problem,

do you, Sergeant?

490

00:38:18,640 --> 00:38:21,246

We shall simply ask the enemy

not to invade on the Sabbath,

491

00:38:21,360 --> 00:38:23,089

'cause Private Doss here is at prayer.

492

00:38:24,320 --> 00:38:26,891

All right. Now we got that clear.

493

00:38:28,360 --> 00:38:30,283

Now let me tell you my requirements.

494

00:38:30,360 --> 00:38:34,570

They're not as complicated as yours.

They're very simple.

495

00:38:34,640 --> 00:38:37,610

As long as you're in this company,

under my command,

496

00:38:37,680 --> 00:38:39,728

you will obey my orders. Period.

497

00:38:41,760 --> 00:38:45,401

If you can't do it here,

I can't trust you to do it in battle.

498

00:38:49,080 --> 00:38:54,769

I'm putting you in for

a Section 8, psychiatric discharge.

499

00:38:54,840 --> 00:38:56,001

Dismissed.

500

00:38:56,880 --> 00:38:58,803

Gentlemen!

501

00:38:58,880 --> 00:39:01,645

I want you to meet

Private Desmond Doss.

502

00:39:01,720 --> 00:39:05,884

Apparently, Private Doss

does not believe in violence.

503

00:39:05,960 --> 00:39:07,849

He does not practice violence.

504

00:39:07,920 --> 00:39:11,163

He will not even deign

to touch a weapon.

505

00:39:11,240 --> 00:39:15,802

You see, Private Doss

is a conscientious objector.

506

00:39:15,880 --> 00:39:21,808

So I plead with you, do not look to him

to save you on the battlefield,

507

00:39:21,920 --> 00:39:27,324

because he will undoubtedly be too busy

wrestling with his conscience to assist.

508

00:39:27,400 --> 00:39:30,802

- Sarge, that's not true.

- Private, as you were.

509

00:39:33,920 --> 00:39:37,527

Now, I realize some of you

might have strong feelings about this.

510

00:39:37,600 --> 00:39:39,841

It is what we men fight for.

511

00:39:39,920 --> 00:39:44,801

To defend our rights,

and to protect our women and children.

512

00:39:44,880 --> 00:39:50,887

Even if Private Doss' beliefs

might cause women and children to die.

513

00:39:50,960 --> 00:39:53,486

So I will expect everyone

in this company

514

00:39:53,560 --> 00:39:57,849

to give Private Doss

the full measure of respect he is due

515

00:39:57,920 --> 00:40:00,890

for the short time he will be with us.

516

00:40:01,000 --> 00:40:02,525

Am I clear?

517

00:40:02,600 --> 00:40:04,090

Yes, Sergeant.

518

00:40:13,440 --> 00:40:14,851

What'cha got there, Dessie?

519

00:40:18,800 --> 00:40:20,006

You know what that is.

520

00:40:20,080 --> 00:40:22,208

It just seems kind of small.

521

00:40:22,280 --> 00:40:23,930

It's half the Bible for half the man.

522

00:40:24,000 --> 00:40:25,656

For Pete's sake, Smitty,

give him back his Bible.

523

00:40:25,680 --> 00:40:27,330

I don't remember speaking to you.

524

00:40:31,480 --> 00:40:34,848

So, how come you don't fight?

You think you're better than us?

525

00:40:35,560 --> 00:40:36,607

No.

526

00:40:37,600 --> 00:40:38,886

What if you was attacked?

527

00:40:40,640 --> 00:40:42,085

Whoa!

528

00:40:42,800 --> 00:40:45,121

Say, like that.

529

00:40:45,200 --> 00:40:47,965

The Bible says to turn

the other cheek, don't it?

530

00:40:49,600 --> 00:40:52,729

See, I don't think this is a question

of religion, fellas.

531

00:40:52,800 --> 00:40:56,566

I think this is cowardice,

plain and simple.

532

00:40:56,680 --> 00:41:00,685

Is that right, Doss?

Are you chickenshit, that it?

533

00:41:02,800 --> 00:41:05,804

Go on, take a poke.

534

00:41:07,400 --> 00:41:09,320

Tell you what, I'm going to

give you a free shot.

535

00:41:09,840 --> 00:41:10,887

Right there.

536

00:41:12,440 --> 00:41:15,091

Hit me, Doss. Go on.

537

00:41:15,200 --> 00:41:16,616

- Let him have it.

- Go ahead.

538

00:41:16,640 --> 00:41:17,687

No?

539

00:41:20,640 --> 00:41:22,244

Chickenshit.

540

00:41:23,600 --> 00:41:24,647

Oh.

541

00:41:25,280 --> 00:41:27,806

Hold on here. What is this?

542

00:41:27,920 --> 00:41:29,251

Give me that.

543

00:41:29,320 --> 00:41:31,163

- This is a fine-looking broad.

- Nice.

544

00:41:31,240 --> 00:41:32,810

Hey, pass it around.

545

00:41:32,880 --> 00:41:36,930

Now, this would be the kind of

broad that deserves a real man.

546

00:41:38,280 --> 00:41:39,327

Give me that back.

547

00:41:40,560 --> 00:41:41,561

Please.

548

00:41:43,400 --> 00:41:45,164

Please.

549

00:41:45,240 --> 00:41:47,641

"Please give it back, Smitty."

550

00:41:47,720 --> 00:41:49,688

Please give it back, Smitty.

551

00:42:00,320 --> 00:42:02,448

Do you hear voices, Desmond?

552

00:42:05,400 --> 00:42:07,129

No, sir.

553

00:42:07,200 --> 00:42:10,841

But I understand that God

talks to you. Is that right?

554

00:42:10,920 --> 00:42:12,649

Sir, I'm not a crazy person.

555

00:42:12,720 --> 00:42:17,442

Is that how you feel most people

regard you, a crazy person?

556

00:42:17,520 --> 00:42:20,330

I'm different. I know that, but...

557

00:42:22,240 --> 00:42:24,402

I'm not going to pretend

to be something I'm not.

558

00:42:24,520 --> 00:42:27,444

- I am what I am.

- Sounds lonely.

559

00:42:28,320 --> 00:42:29,560

You lonely?

560

00:42:34,320 --> 00:42:37,085

- So, you don't hear voices.

- No, sir.

561

00:42:37,200 --> 00:42:43,446

I pray to God and I like to think He

hears me, but it ain't a conversation,

562

00:42:43,520 --> 00:42:46,364

like the one we're pretending

to have right now.

563

00:42:46,440 --> 00:42:48,283

- Pretending, Private?

- Well, yes, sir.

564

00:42:48,360 --> 00:42:51,560

I know all you really want to do is give

me a Section 8, drum me out of the Army,

565

00:42:51,600 --> 00:42:57,084

but I'm not off up above.

I just simply believe what I believe.

566

00:42:57,160 --> 00:43:01,131

Well, I'm trying to

understand, all right?

567

00:43:01,200 --> 00:43:05,171

Was it God who told you

not to pick up a rifle?

568

00:43:05,240 --> 00:43:08,369

God says not to kill.

569

00:43:08,480 --> 00:43:10,280

That's one of His

most important Commandments.

570

00:43:10,320 --> 00:43:13,881

Most people take that to mean,

"Don't commit murder."

571

00:43:13,960 --> 00:43:17,328

War is a completely different

set of circumstances.

572

00:43:17,400 --> 00:43:21,883

Jesus said,

"A new Commandment I give unto you,

573

00:43:21,960 --> 00:43:24,964

that you love one another,

just as I have loved you."

574

00:43:25,080 --> 00:43:27,208

This is Satan himself we're fighting.

575

00:43:27,280 --> 00:43:30,568

Surely, as a good Christian,

you can see that.

576

00:43:30,640 --> 00:43:34,042

I can see that, sir,

and that is why I joined up.

577

00:43:36,480 --> 00:43:39,245

But I'm sorry,

I will not bear arms.

578

00:43:39,320 --> 00:43:42,005

His religious views

are certainly unique,

579

00:43:42,080 --> 00:43:45,607

but they do not constitute grounds

for a Section 8 discharge.

580

00:43:45,680 --> 00:43:48,729

How am I supposed to maintain discipline

with a man like that in my unit?

581

00:43:48,800 --> 00:43:50,290

I don't know.

582

00:43:50,360 --> 00:43:52,647

But he is a legitimate

conscientious objector,

583

00:43:52,720 --> 00:43:55,087

and he must be allowed

to work as a combat medic,

584

00:43:55,160 --> 00:43:58,721

provided he qualifies

in all other areas of his training.

585

00:43:58,800 --> 00:44:03,488

Perhaps we could help

make believe in his idea.

586

00:44:03,560 --> 00:44:06,245

Yeah, you restrict him

to barracks and KP.

587

00:44:06,320 --> 00:44:08,687

If he throws God at you,

you throw hell right at him.

588

00:44:08,760 --> 00:44:10,046

I want him gone.

589

00:44:27,120 --> 00:44:30,602

Doss, your area is a disgrace.

It's a pig sty!

590

00:44:31,840 --> 00:44:33,524

- Something funny, Ryker?

- No, Sarge!

591

00:44:33,600 --> 00:44:37,161

- You got some shit on your mind?

- No, Sarge!

592

00:44:37,720 --> 00:44:39,802

What you men fail to recognize

593

00:44:39,880 --> 00:44:44,647

is a unit is no better

than its weakest member!

594

00:44:44,720 --> 00:44:49,044

Now, to help you learn that lesson,

there will be no passes this weekend.

595

00:44:49,120 --> 00:44:51,566

You will all be on KP!

596

00:44:51,640 --> 00:44:55,042

Right now, everybody in full gear

for a 20-mile hike.

597

00:44:55,120 --> 00:44:57,771

Let's go! Let's go.

598

00:45:01,680 --> 00:45:03,648

Get your heads right.

599

00:45:03,760 --> 00:45:05,967

Don't start feeling sorry for yourself.

600

00:45:06,040 --> 00:45:09,123

Makes me sick

see you feel sorry for yourself.

601

00:45:09,200 --> 00:45:11,521

You dogs don't know what tired is.

602

00:45:11,600 --> 00:45:13,807

We're going to keep going till I drop.

603

00:45:22,520 --> 00:45:25,683

Hey, knock it off.

Trying to sleep here.

604

00:45:29,760 --> 00:45:32,081

- Get off me. Get off me.

- Okay. All right.

605

00:45:39,080 --> 00:45:40,684

Why the hell are you still here?

606

00:45:52,160 --> 00:45:53,525

As you were.

607

00:46:01,000 --> 00:46:02,126

Where's Doss?

608

00:46:25,640 --> 00:46:27,210

This isn't good for anybody.

609

00:46:27,280 --> 00:46:29,282

Sure ain't what I joined up for.

610

00:46:32,000 --> 00:46:34,765

It's not about what you joined up for.

611

00:46:34,840 --> 00:46:37,366

It's about the lives

of every man in here.

612

00:46:38,840 --> 00:46:42,925

And yours, son.

It's time to quit this.

613

00:46:44,080 --> 00:46:47,050

Finish getting dressed

and I'll walk you down.

614

00:46:53,320 --> 00:46:55,049

It's okay, Doss.

615

00:46:56,640 --> 00:46:58,165

There's no shame in this.

616

00:47:13,760 --> 00:47:15,569

Let's go.

617

00:47:16,080 --> 00:47:20,881

I got extra guard duty today,

and I'm on KP this morning, so...

618

00:47:23,880 --> 00:47:24,881

Can't.

619

00:47:31,320 --> 00:47:32,970

All right, Doss.

620

00:47:34,920 --> 00:47:39,130

Private Doss, can you identify

the men that beat you?

621

00:47:46,040 --> 00:47:47,883

No, Sarge.

622

00:47:47,960 --> 00:47:51,123

Are you saying that you

don't know who attacked you?

623

00:47:51,200 --> 00:47:53,123

I never said I was attacked, Sarge.

624

00:47:54,720 --> 00:47:57,724

Well, what the hell

are you saying, Doss?

625

00:47:57,800 --> 00:47:59,962

You bruised half your body sleeping?

626

00:48:01,960 --> 00:48:03,962

I... I sleep pretty hard.

627

00:48:05,600 --> 00:48:08,524

Alright.

628

00:48:09,840 --> 00:48:12,216

If you plan on getting wet this weekend,

make sure you put on a hat.

629

00:48:12,240 --> 00:48:13,651

Next.

630

00:48:13,720 --> 00:48:15,848

Don't want anyone

coming back pissing cream.

631

00:48:15,920 --> 00:48:18,207

What, you don't want none

for your coffee, Sarge?

632

00:48:18,280 --> 00:48:20,851

How about a shot right now, Smitty?

633

00:48:20,960 --> 00:48:22,849

- You speaking from experience, Sarge?

- Next.

634

00:48:22,960 --> 00:48:25,056

You'd have to ask

your mom about that, Greaseball.

635

00:48:30,840 --> 00:48:31,887

At ease.

636

00:48:36,680 --> 00:48:40,446

Private Doss, I'm afraid

I can't authorize your pass.

637

00:48:40,560 --> 00:48:44,007

This is a furlough for men

who have passed the basic training.

638

00:48:47,000 --> 00:48:49,287

Well, sir, respectfully, sir, I have.

639

00:48:50,880 --> 00:48:53,201

I put in for this furlough

three weeks ago.

640

00:48:53,280 --> 00:48:55,487

I'm getting married this afternoon.

641

00:48:55,560 --> 00:48:58,450

It says you're not rifle qualified.

642

00:48:59,720 --> 00:49:02,451

Well, I'm not required to carry

a rifle, sir. Colonel Stelzer, he...

643

00:49:02,520 --> 00:49:05,763

Colonel Stelzer's determination was...

644

00:49:05,880 --> 00:49:08,724

"Doss must be allowed to

work as a combat medic,

645

00:49:08,840 --> 00:49:13,129

provided he qualifies

in all other areas of his training."

646

00:49:13,200 --> 00:49:16,010

And you have not qualified

on the rifle range, Private.

647

00:49:17,000 --> 00:49:18,047

Pretty clear.

648

00:49:21,200 --> 00:49:26,240

Show me you know how to handle a rifle

and I'll sign your furlough.

649

00:49:26,320 --> 00:49:28,243

- Corporal Cannon.

- Sir!

650

00:49:28,360 --> 00:49:30,488

Hand Private Doss your firearm.

651

00:49:39,920 --> 00:49:44,130

- I won't touch a rifle, sir.

- I'm not asking you, Private!

652

00:49:44,200 --> 00:49:47,886

That is a direct order

from a company commander.

653

00:49:47,960 --> 00:49:54,206

For God's sake, Doss,

you stop this nonsense and quit.

654

00:49:54,280 --> 00:49:59,241

Refuse, and I will have no

recourse but to court-martial you,

655

00:49:59,320 --> 00:50:02,722

and you will spend the duration

of the war in a military prison.

656

00:50:05,000 --> 00:50:07,128

I can't, sir.

657

00:50:19,200 --> 00:50:22,010

How much longer would you

like to wait, Dorothy?

658

00:50:23,400 --> 00:50:25,801

I think it's been long enough.

659

00:50:27,000 --> 00:50:28,923

I'm so very sorry.

660

00:50:29,000 --> 00:50:31,321

Sometimes men just get cold feet.

661

00:50:33,440 --> 00:50:37,525

Some men might. Not my Desmond.

662

00:51:10,280 --> 00:51:13,170

You probably think

I'm a real son of a bitch

663

00:51:13,240 --> 00:51:16,005

who cares only about regulations

and not his men.

664

00:51:19,120 --> 00:51:20,121

May I?

665

00:51:27,240 --> 00:51:30,084

I believe in this book

as much as any man.

666

00:51:30,160 --> 00:51:32,891

And just like any man,

I wrestle with my conscience,

667

00:51:32,960 --> 00:51:36,681

but what do you do when everything

you value in this world is under attack?

668

00:51:37,960 --> 00:51:39,530

I don't know, sir.

669

00:51:40,960 --> 00:51:44,169

I ain't got answers

to questions that big,

670

00:51:44,240 --> 00:51:47,926

but I also feel like

my values are under attack,

671

00:51:48,040 --> 00:51:49,565

and I don't know why.

672

00:51:49,640 --> 00:51:53,645

I don't give a rat's ass about your

principles because the Japs don't.

673

00:51:53,720 --> 00:51:55,961

If one of them attacks you

and some wounded soldier,

674

00:51:56,040 --> 00:51:57,041

what are you gonna do?

675

00:51:58,040 --> 00:52:00,088

Hit him with your Bible?

676

00:52:00,160 --> 00:52:02,401

I'm prepared to give my life for my men.

677

00:52:02,480 --> 00:52:06,041

You don't win wars

by giving up your life.

678

00:52:06,120 --> 00:52:10,967

Look, I'm only here because I don't want

to see you rotting in a prison cell.

679

00:52:11,040 --> 00:52:13,611

Plead guilty, throw yourself

at the mercy of the court.

680

00:52:13,680 --> 00:52:15,409

Maybe they'll let you go home and pray.

681

00:52:18,400 --> 00:52:21,051

Let the brave men out there

go and win this war.

682

849

01:06:17,200 --> 01:06:18,486

- Seems good to me.

- Clear.

850

01:06:18,560 --> 01:06:20,050

- As gold.

- Clear.

851

01:06:20,880 --> 01:06:22,644

All clear, Sarge!

852

01:06:40,720 --> 01:06:42,165

Captain Glover.

853

01:06:43,560 --> 01:06:45,722

Lieutenant Manville, 96th.

854

01:06:45,800 --> 01:06:47,689

We've been assigned to you, sir.

855

01:06:47,760 --> 01:06:49,410

Okay.

856

01:06:49,480 --> 01:06:51,576

- Let's get these men some chow.

- Yes, sir.

857

01:06:51,600 --> 01:06:52,965

This is, uh, Sergeant Howell.

858

01:06:53,040 --> 01:06:54,376

- Good to meet you, sir.

- Sit down.

859

01:06:54,400 --> 01:06:55,447

Who's Doss?

860

01:06:56,920 --> 01:06:58,251

Over there.

861

01:07:00,480 --> 01:07:01,766

You Doss?

862

01:07:04,280 --> 01:07:05,691

Irv Schecter.

863

01:07:11,120 --> 01:07:16,365

You, and me and Page here are about the

only medics we got left in this area.

864

01:07:16,440 --> 01:07:19,410

So, I guess we're gonna be

working together.

865

01:07:20,080 --> 01:07:21,889

You just come off the line?

866

01:07:21,960 --> 01:07:23,200

What's it like?

867

01:07:25,600 --> 01:07:26,965

I said, What's it like?

868

01:07:30,720 --> 01:07:32,290

Hacksaw.

869

01:07:33,520 --> 01:07:37,491

We climbed up six times.

Six times, they threw us off.

870

01:07:40,840 --> 01:07:43,684

Last time, there wasn't

anything left of the 96th.

871

01:07:46,800 --> 01:07:48,006

They're animals.

872

01:07:50,120 --> 01:07:52,043

Stinking animals.

873

01:07:52,120 --> 01:07:54,282

Nips don't care if they live or die.

874

01:07:55,560 --> 01:07:58,564

They want to die.

They keep coming at you.

875

01:07:58,640 --> 01:08:01,211

And they ain't never going to give up.

876

01:08:02,120 --> 01:08:03,770

Never.

877

01:08:03,840 --> 01:08:05,683

Here. Hey, buddy.

878

01:08:10,280 --> 01:08:13,409

The Japs

deliberately target the wounded.

879

01:08:13,480 --> 01:08:16,484

Lose all your Red Cross markings.

880

01:08:16,560 --> 01:08:18,801

Nips put a premium on shooting medics.

881

01:08:19,760 --> 01:08:21,330

The white is a bull's-eye.

882

01:08:22,800 --> 01:08:24,723

Here, I got you a new helmet.

883

01:08:25,840 --> 01:08:27,410

One size fits all.

884

01:08:35,600 --> 01:08:38,649

That's our objective. Hacksaw Ridge.

885

01:08:38,760 --> 01:08:42,401

We take it, maybe we get Okinawa.

886

01:08:42,480 --> 01:08:45,484

We get Okinawa, we take Japan.

887

01:08:45,600 --> 01:08:49,321

Take a breather. Our pals in the Navy

are going to soften them up for us.

888

01:09:16,200 --> 01:09:18,328

Nobody can survive that shit.

889

01:09:19,600 --> 01:09:21,409

Oh, but they can.

890

01:09:40,120 --> 01:09:44,250

Lieutenant, these bunkers here,

here and here, is that accurate?

891

01:09:45,440 --> 01:09:48,250

Yeah, there's three...

892

01:09:56,520 --> 01:09:59,888

Yes, sir, maybe a little further back,

but it's all...

893

01:10:01,480 --> 01:10:03,528

It's all different up there.

894

01:10:03,600 --> 01:10:05,364

All clear, Captain.

895

01:10:06,760 --> 01:10:09,525

Gents, move out.

896

01:10:35,640 --> 01:10:37,290

It's blood.

897

01:10:37,360 --> 01:10:38,600

No shit.

898

01:10:40,480 --> 01:10:42,482

We're not in Kansas anymore, Dorothy.

899

01:10:44,800 --> 01:10:45,961

Keep climbing.

900

01:10:56,640 --> 01:10:58,529

Here, come on.

901

01:11:18,600 --> 01:11:20,921

Coming through, make way.

Out of the way.

902

01:11:25,600 --> 01:11:26,806

- Brown.

- What?

903

01:11:26,880 --> 01:11:27,961

Give this to Jessop.

904

01:11:28,040 --> 01:11:29,041

Corporal!

905

01:13:15,440 --> 01:13:16,487

Incoming!

906

01:13:18,880 --> 01:13:20,086

Get down!

907

01:13:22,840 --> 01:13:23,887

Get down!

908

01:13:37,080 --> 01:13:39,686

Where the hell are they?

I can't see nothing.

909

01:13:40,960 --> 01:13:43,167

- Beats me, pal.

- Where the...

910

01:13:47,480 --> 01:13:48,970

Medic!

911

01:13:49,040 --> 01:13:51,202

We're over here!

912

01:13:53,440 --> 01:13:55,727

Put your hand right here.

Put your hand on there, Jack.

913

01:13:55,800 --> 01:13:57,609

Come on, come on.

914

01:13:57,680 --> 01:14:00,296

Come on, we're going to get you

under cover. Come on, come with me.

915

01:14:00,320 --> 01:14:01,845

Come with me, Jack.

916

01:14:18,560 --> 01:14:21,450

Keep moving forward! Move!

917

01:14:29,840 --> 01:14:31,126

I can't see anything.

918

01:14:31,200 --> 01:14:32,964

- Is that one?

- I don't know. Just shoot!

919

01:14:39,480 --> 01:14:41,005

All right, let's go.

920

01:14:44,760 --> 01:14:45,841

Vito!

921

01:14:50,600 --> 01:14:51,965

Oh, shit.

922

01:15:00,160 --> 01:15:02,640

- Medic! Vito's down!

- I'm coming!

923

01:15:02,720 --> 01:15:04,802

Okay. I'm here.

924

01:15:17,960 --> 01:15:19,086

Get out of the way!

925

01:15:50,560 --> 01:15:51,561

You hurt?

926

01:15:52,280 --> 01:15:53,964

I'm fine.

927

01:16:11,680 --> 01:16:14,206

Come on, I got you, Ralph.

Just breathe.

928

01:16:18,040 --> 01:16:22,284

Just breathe. Just breathe, Ralph.

It's okay. It's okay.

929

01:16:23,360 --> 01:16:25,442

Just breathe, Ralph, just breathe.

930

01:16:26,600 --> 01:16:29,126

I got you, I got you.

I got you. Come on.

931

01:16:31,640 --> 01:16:34,928

Hey! Hey! Give him a shot

of morphine and move on.

932

01:16:36,160 --> 01:16:37,571

He's not going to last a day.

933

01:16:37,640 --> 01:16:41,008

Please. Please, Doss, no.

No. Don't leave me.

934

01:16:41,080 --> 01:16:43,560

Don't leave me.

God, please don't leave me.

935

01:16:43,640 --> 01:16:45,563

I've got kids!

936

01:16:45,640 --> 01:16:48,689

Please. Please, don't.

Please, don't leave me.

937

01:16:48,760 --> 01:16:51,764

I ain't going anywhere.

I'm going to get you home.

938

01:16:51,840 --> 01:16:55,083

I got you, Ralph. Okay?

I'm going to get you home.

939

01:16:56,760 --> 01:16:58,888

Here comes the morphine.

Here comes the morphine.

940

01:16:58,960 --> 01:17:00,560

It's going to kick in real quick, Ralph.

941

01:17:00,600 --> 01:17:02,602

We're going to get you shifted.

942

01:17:02,720 --> 01:17:06,202

Stretcher! Stretcher!

943

01:17:11,600 --> 01:17:13,682

- Get up. Keep moving, son.

- I can't, I'm wounded.

944

01:17:13,760 --> 01:17:15,000

There's nothing wrong with you.

945

01:17:17,000 --> 01:17:18,411

Shit! Hang on, kid.

946

01:17:21,640 --> 01:17:24,120

Move. A sitting duck's a dead one.

947

01:17:24,880 --> 01:17:26,928

Move. Go, go, go!

948

01:17:27,000 --> 01:17:28,684

This guy's a priority.

949

01:17:29,920 --> 01:17:32,730

We got him, we got him. Here.

950

01:17:34,680 --> 01:17:37,889

A priority? You ever heard of triage?

He'll be dead before we get him down.

951

01:17:37,960 --> 01:17:39,121

You don't know that!

952

01:17:40,360 --> 01:17:44,126

Get him down. All right? Huh?

953

01:17:44,200 --> 01:17:47,010

- Okay. Okay. Go.

- Okay. Okay.

954

01:17:48,040 --> 01:17:50,040

It's all right, buddy.

We're going to get you home.

955

01:17:55,080 --> 01:17:58,641

Medic! Help! Help.

956

01:17:58,720 --> 01:18:01,929

I figure if we can't see them,

then they can't see us neither.

957

01:18:03,440 --> 01:18:04,441

Help!

958

01:18:16,200 --> 01:18:17,964

I got you, Frank. Where you hit?

959

01:18:28,920 --> 01:18:32,083

- I think they can see us, smart ass!

- Doss, come on, come on.

960

01:18:32,160 --> 01:18:33,366

Give me a hand here.

961

01:18:37,040 --> 01:18:38,724

Get down, sir.

962

01:18:38,800 --> 01:18:40,962

Over there! The bunkers.

963

01:18:43,200 --> 01:18:45,771

I see them. Better stay down, sir.

964

01:18:48,800 --> 01:18:52,327

- I got 'em, dead ahead.

- Yeah, I see 'em, too.

965

01:18:52,400 --> 01:18:54,656

Push in as close as you can.

Give them everything you've got.

966

01:18:54,680 --> 01:18:56,728

I'll send in the

weapons team to flank them.

967

01:19:03,720 --> 01:19:06,963

You keep that tight, you're going to be

right as rain. All right?

968

01:19:07,040 --> 01:19:08,804

I got him, Doss. I got him.

969

01:19:08,880 --> 01:19:10,962

Here you go, come on now.

Come sit over here.

970

01:19:11,040 --> 01:19:12,087

Hey.

971

01:19:12,880 --> 01:19:14,120

You doing okay?

972

01:19:14,200 --> 01:19:15,281

Okay.

973

01:19:27,400 --> 01:19:28,925

And, fire!

974

01:19:41,680 --> 01:19:42,681

Down!

975

01:19:46,880 --> 01:19:48,530

Son of a bitch.

976

01:19:49,840 --> 01:19:51,683

- You, get on it.

- Yes, sir!

977

01:19:52,840 --> 01:19:55,889

Take 'em. Go. Fire!

978

01:20:02,560 --> 01:20:03,891

Cover!

979

01:20:10,240 --> 01:20:14,564

Go, go. Go, Ghoul.

Get in the hole. Stay there.

980

01:20:18,120 --> 01:20:21,920

Go! Go, Smitty,

we'll cover you. Leapfrog.

981

01:20:27,960 --> 01:20:29,200

Cover.

982

01:20:35,920 --> 01:20:37,604

Satchel!

983

01:20:40,920 --> 01:20:42,763

- Ghoul!

- Clear.

984

01:20:47,360 --> 01:20:51,081

Come on, stick it. Stick it, Ghoul.

985

01:20:53,280 --> 01:20:55,169

Cover! Cover!

986

01:21:07,080 --> 01:21:08,684

Son of a bitch.

987

01:21:19,600 --> 01:21:21,170

Cover his ass.

988

01:21:23,440 --> 01:21:26,171

Medic! Medic! Help me.

989

01:21:53,560 --> 01:21:54,561

Go!

990

01:22:40,120 --> 01:22:41,360

Medic!

991

01:22:44,000 --> 01:22:47,368

I'm here. Put your hand on it.

Put your hand on it!

992

01:23:18,240 --> 01:23:19,366

Go, go, go!

993

01:23:34,600 --> 01:23:36,762

Ghoul. Ghoul.

994

01:23:38,280 --> 01:23:40,169

You're okay. Where you hit?

995

01:23:43,720 --> 01:23:45,722

You got a bump on the head, that's okay.

996

01:23:46,480 --> 01:23:47,766

What's your name?

997

01:23:49,040 --> 01:23:50,326

- Andy.

- Andy what?

998

01:23:51,080 --> 01:23:52,491

Andy Walker.

999

01:23:52,560 --> 01:23:54,369

Also known as?

1000

01:23:54,440 --> 01:23:56,761

Ghoul.

1001

01:23:56,840 --> 01:23:58,649

Ghoul. Ghoul, you're okay, you're okay.

1002

01:24:03,760 --> 01:24:05,967

Good job, men. Good work.

1003

01:24:06,040 --> 01:24:08,566

Dig in for the night.

We hold this spot,

1004

01:24:08,640 --> 01:24:11,211

we mop up the rest

of the ridge tomorrow.

1005

01:24:11,960 --> 01:24:16,488

Okay, boys. Find yourself a nice

safe hole in or near the bunker.

1006

01:24:16,560 --> 01:24:18,483

Rotate watch every two hours.

1007

01:24:18,560 --> 01:24:21,643

We don't know what's out there.

Heads down, asses lower.

1008

01:24:21,720 --> 01:24:23,529

And shoot anything

that don't speak English.

1009

01:24:23,600 --> 01:24:26,331

- Does that include Grease, Sarge?

- Particularly him.

1010

01:24:26,400 --> 01:24:28,687

I don't care if you need to

take a piss or a dump,

1011

01:24:28,760 --> 01:24:30,762

it ain't safe to go out there alone.

1012

01:24:30,840 --> 01:24:32,365

Over here, now!

1013

01:24:32,440 --> 01:24:33,965

Where the hell are you going, Doss?

1014

01:24:35,480 --> 01:24:37,642

Still more wounded out there, Sarge.

1015

01:24:37,720 --> 01:24:39,370

I'll go with him.

1016

01:24:39,440 --> 01:24:41,488

Be smart. Keep your ears down.

1017

01:24:43,360 --> 01:24:45,089

All right, let's find a spot.

1018

01:24:52,480 --> 01:24:57,122

Rinnelli and Henry dead in

the first 15 minutes, just straight off.

1019

01:24:58,320 --> 01:25:00,561

Straight off.

1020

01:25:00,640 --> 01:25:04,850

Peterson, Popeye. Standford and Murphy.

1021

01:25:05,600 --> 01:25:07,011

Page and Unger.

1022

01:25:09,480 --> 01:25:11,369

Ralston.

1023

01:25:11,440 --> 01:25:18,289

"In peace, sons bury their fathers,

in war, fathers bury their sons."

1024

01:25:20,320 --> 01:25:23,210

You wanna stop spouting that crap, huh?

1025

01:25:24,440 --> 01:25:27,205

It don't help none.

1026

01:25:27,280 --> 01:25:31,808

Yeah, you got that right. Not here.

1027

01:25:34,200 --> 01:25:37,170

Hey, give me that.

1028

01:25:44,200 --> 01:25:46,885

Hey, we've got an abdominal wound.

1029

01:25:46,960 --> 01:25:49,167

This man is going to need some plasma.

1030

01:25:49,240 --> 01:25:50,605

- You got it.

- Leave him with us.

1031

01:25:50,680 --> 01:25:52,808

Okay. You're okay now. They got you.

1032

01:26:02,160 --> 01:26:03,605

Should we find a hole and dig in?

1033

01:26:04,480 --> 01:26:05,561

Sounds good to me.

1034

01:26:07,200 --> 01:26:08,440

Put your helmet on.

1035

01:26:18,400 --> 01:26:19,890

You ain't going to eat them?

1036

01:26:22,560 --> 01:26:24,881

I don't eat meat. Help yourself.

1037

01:26:26,520 --> 01:26:27,681

Of course you don't.

1038

01:26:36,920 --> 01:26:38,206

That's one heck of a dame.

1039

01:26:40,760 --> 01:26:43,764

You know you're fighting out of your

weight class with her, don't you?

1040

01:26:50,880 --> 01:26:52,609

Yes, I do.

1041

01:26:54,240 --> 01:26:55,890

Don't tell her that.

1042

01:26:55,960 --> 01:26:57,928

She'd be much happier

with a man like me anyway.

1043

01:26:58,000 --> 01:26:59,968

Yeah, until she got to know you.

1044

01:27:01,760 --> 01:27:03,649

I'm an asshole sometimes.

1045

01:27:04,280 --> 01:27:05,327

Sometimes?

1046

01:27:08,800 --> 01:27:10,723

Yeah, all right. All right.

1047

01:27:37,000 --> 01:27:38,365

These Japs are sneaky.

1048

01:27:40,240 --> 01:27:42,846

I'll take first watch, all right?

You get some shut-eye.

1049

01:28:28,720 --> 01:28:29,881

Hell of a dream.

1050

01:28:47,960 --> 01:28:52,010

Dreamed I got myself skewered.

I couldn't do nothing.

1051

01:28:53,640 --> 01:28:54,801

Rifle's just there.

1052

01:28:59,880 --> 01:29:01,120

It won't bite.

1053

01:29:02,720 --> 01:29:04,006

Yeah, it will.

1054

01:29:06,080 --> 01:29:07,491

Look around you.

1055

01:29:07,560 --> 01:29:09,847

After what we've just been through,

1056

01:29:09,920 --> 01:29:11,968

any sane man would be

screaming for a weapon.

1057

01:29:12,040 --> 01:29:13,963

I never claimed to be sane.

1058

01:29:20,000 --> 01:29:21,684

My daddy's a drunk.

1059

01:29:24,080 --> 01:29:27,050

He fought it for years,

but it kind of got a hold of him hard.

1060

01:29:27,120 --> 01:29:28,281

Made him mean.

1061

01:29:28,360 --> 01:29:29,646

Least you knew him.

1062

01:29:29,720 --> 01:29:32,963

Mine could have been any one of 10 guys,

and none of them worth a damn, so...

1063

01:29:34,840 --> 01:29:36,410

So, your momma raised you?

1064

01:29:36,480 --> 01:29:39,563

I knew her, but she gave me

to an orphanage when I was five.

1065

01:29:39,640 --> 01:29:40,926

Never saw her again.

1066

01:29:43,080 --> 01:29:44,844

I learned how to hate quick.

1067

01:29:46,240 --> 01:29:49,881

I learned how to judge people quicker,

and I got you very wrong.

1068

01:29:59,240 --> 01:30:02,164

My daddy used to beat me and my brother

just because the sun rose,

1069

01:30:02,240 --> 01:30:04,368

and then whip us just because it set.

1070

01:30:06,920 --> 01:30:08,331

I could take that...

1071

01:30:10,560 --> 01:30:12,927

...but when he would

do it to our momma...

1072

01:30:13,000 --> 01:30:15,162

Get away from me, woman!

1073

01:30:22,600 --> 01:30:25,809

That's enough. No more. Do you hear me?

1074

01:30:25,880 --> 01:30:27,723

Pull the damn trigger.

1075

01:30:27,800 --> 01:30:32,362

Stop it! Stop!

1076

01:30:37,440 --> 01:30:38,726

But you didn't kill him?

1077

01:30:41,440 --> 01:30:43,329

In my heart, I did.

1078

01:31:04,880 --> 01:31:06,723

So that's why I made my promise to God,

1079

01:31:06,800 --> 01:31:08,882

I ain't never going to

touch a gun again.

1080

01:31:13,640 --> 01:31:16,086

Well, I ain't giving you mine,

'cause you're crazy.

1081

01:31:38,240 --> 01:31:39,446

Son of a...

1082

01:31:43,080 --> 01:31:44,366

Son of a bitch.

1083

01:32:20,200 --> 01:32:23,329

Move, move! Get your asses over here.

1084

01:32:23,400 --> 01:32:24,731

Let's go!

1085

01:32:43,320 --> 01:32:46,608

Fall back, fall back! Go!

1086

01:33:00,600 --> 01:33:02,728

They're coming from underground.

1087

01:33:04,080 --> 01:33:06,686

Searchlight, this is Baker Six.

Request immediate support.

1088

01:33:06,760 --> 01:33:09,650

Target is

Yoke-Tare-Five-One-Five.

1089

01:33:09,720 --> 01:33:11,688

Yes! Yes, I know

that's where the hell we are,

1090

01:33:11,760 --> 01:33:13,400

but I don't expect to

be here much longer!

1091

01:33:15,120 --> 01:33:16,724

I called an artillery strike.

1092

01:33:16,800 --> 01:33:19,485

Fall back. Move. Move!

1093

01:33:25,960 --> 01:33:28,122

Fall back! Incoming!

1094

01:33:55,440 --> 01:33:57,807

Hey, buddy. I'm right here. Right here.

1095

01:34:05,600 --> 01:34:06,601

Okay.

1096

01:34:07,680 --> 01:34:08,886

Cover me.

1097

01:34:11,840 --> 01:34:12,921

Go, go!

1098

01:34:25,360 --> 01:34:27,362

Get out of here, kid!

1099

01:34:30,160 --> 01:34:31,400

Come here, son.

1100

01:34:34,920 --> 01:34:37,446

You know what to do.

Keep pressure on it.

1101

01:34:41,320 --> 01:34:43,721

No! Don't need plasma. Give it to him.

1102

01:34:43,800 --> 01:34:48,010

Over there. I'll be okay. Go. Go.

1103

01:34:48,080 --> 01:34:49,764

- Grease! Get Irv's back.

- What?

1104

01:34:49,840 --> 01:34:51,842

- You got it, okay.

- See you soon.

1105

01:34:57,960 --> 01:34:59,485

Come on. Come on.

1106

01:35:02,880 --> 01:35:05,850

We gotta move right now.

Come on, come on.

1107

01:35:30,440 --> 01:35:32,124

Go! Go! Go!

1108

01:35:39,320 --> 01:35:40,606

Change!

1109

01:35:46,200 --> 01:35:47,929

There's too many,

get the hell out of here!

1110

01:35:48,000 --> 01:35:49,729

Move! Move!

1111

01:36:33,840 --> 01:36:36,844

- I'm scared. I'm scared.

- It's going to help the pain.

1112

01:36:39,720 --> 01:36:42,963

No, don't. Don't you do that. Come on.

1113

01:36:43,040 --> 01:36:45,691

Come on, Smitty, you stay with me.

Let's go. We gotta move.

1114

01:37:07,280 --> 01:37:08,486

- Hey!

- Yeah.

1115

01:37:08,560 --> 01:37:10,016

Help me get him down.

Help me get him down.

1116

01:37:10,040 --> 01:37:11,530

Yeah.

1117

01:37:11,600 --> 01:37:13,045

Come on, let's move. Come on.

1118

01:37:13,120 --> 01:37:15,088

Can't help him, buddy, he's gone.

1119

01:37:15,160 --> 01:37:17,481

- No.

- Come on! We gotta get outta here!

1120

01:37:17,600 --> 01:37:18,886

Let's go!

1121

01:37:20,520 --> 01:37:21,931

Come on, let's go.

1122

01:37:31,120 --> 01:37:32,804

Come on. Everyone.

1123

01:37:32,880 --> 01:37:34,291

Off the ridge!

1124

01:38:12,400 --> 01:38:14,448

What is it you want of me?

1125

01:38:22,600 --> 01:38:24,125

I don't understand.

1126

01:38:30,520 --> 01:38:32,090

I can't hear you.

1127

01:38:33,560 --> 01:38:35,847

Medic, help me! Help me!

1128

01:38:35,920 --> 01:38:37,649

Help me!

1129

01:38:42,440 --> 01:38:44,124

Help me, Lord.

1130

01:38:44,200 --> 01:38:45,770

All right.

1131

01:39:04,200 --> 01:39:07,249

You're in good hands.

Easy does it. Easy.

1132

01:39:07,320 --> 01:39:09,129

...six... eight...

1133

01:39:10,480 --> 01:39:11,970

Fourteen.

1134

01:39:12,040 --> 01:39:13,656

Get these men secured immediately.

1135

01:39:13,680 --> 01:39:14,841

Yes, sir.

1136

01:39:14,920 --> 01:39:19,562

- Private Ford, how many?

- Thirty-two only came down, sir.

1137

01:39:19,680 --> 01:39:21,205

- Good Lord.

- Let's go!

1138

01:39:22,880 --> 01:39:25,008

- Let's load 'em up.

- Yes, sir.

1139

01:40:03,920 --> 01:40:06,400

Harry. It's Desmond.

1140

01:40:06,520 --> 01:40:10,047

We going to fix you up.

You just got to keep breathing. Okay?

1141

01:40:11,400 --> 01:40:14,085

- Colonel wants to see you, sir.

- I need your jeep.

1142

01:40:14,160 --> 01:40:16,686

You two stay here, keep watch,

keep your eyes peeled for Japs.

1143

01:40:16,760 --> 01:40:18,330

- No, but...

- Stay here! Keep watch.

1144

01:40:18,400 --> 01:40:19,960

- Yes, sir.

- Yes, sir.

1145

01:40:28,680 --> 01:40:31,490

Help. Help me.

1146

01:40:31,560 --> 01:40:34,928

Watch out. I got you.

1147

01:40:39,520 --> 01:40:41,602

Put your hand on it.

Keep pressure on it.

1148

01:40:41,720 --> 01:40:44,200

- I'm comin' back. Okay?

- Okay.

1149

01:41:00,120 --> 01:41:01,884

Easy, fellas, easy.

1150

01:41:01,960 --> 01:41:03,246

Here we go.

1151

01:41:07,600 --> 01:41:10,570

Okay, guys, let's go.

On the count of three. One, two, three.

1152

01:41:12,760 --> 01:41:15,001

Help, medic over here!

1153

01:41:17,000 --> 01:41:18,400

It's okay, buddy, hold it together.

1154

01:41:21,040 --> 01:41:23,042

We're at the edge, Eric.

1155

01:41:23,120 --> 01:41:25,930

You just sit tight, okay?

1156

01:41:45,160 --> 01:41:47,891

You're okay, Eric.

You're okay, buddy.

1157

01:41:52,760 --> 01:41:55,001

Son of a gun, this is going to work.

1158

01:41:55,080 --> 01:41:57,048

One for each leg, Eric.

1159

01:41:57,120 --> 01:42:00,124

We're going to get you dressed up

in a jiffy and get you down.

1160

01:42:00,200 --> 01:42:01,964

I got you.

1161

01:42:03,560 --> 01:42:05,369

I got you now, Eric.

1162

01:42:05,440 --> 01:42:08,364

You have to trust me now, Eric.

You're gonna have to trust me.

1163

01:42:37,080 --> 01:42:38,286

Japs!

1164

01:42:38,360 --> 01:42:41,523

Hold on, one of ours.

Hold on! Let's go, let's go!

1165

01:42:43,400 --> 01:42:46,609

I got you. I got you. I got you.

1166

01:42:46,720 --> 01:42:50,441

Come on, I got you.

You're okay. You're okay.

1167

01:42:54,920 --> 01:42:57,321

Hank, another one.

1168

01:43:02,760 --> 01:43:05,047

Colonel, call off the artillery

attack on Hacksaw.

1169

01:43:05,120 --> 01:43:08,522

Couldn't call it in. There's still

over 100 men left up there.

1170

01:43:08,600 --> 01:43:10,921

Tell them to call off

the artillery on Hacksaw.

1171

01:43:12,880 --> 01:43:15,360

Sit down, Jack.

I'll get you a drink.

1172

01:43:26,880 --> 01:43:28,450

We just lost our cover.

1173

01:43:31,000 --> 01:43:33,287

They're stirrin',

we got to move. Come on.

1174

01:43:39,600 --> 01:43:43,161

About time.

They just keep coming by the...

1175

01:43:43,240 --> 01:43:45,891

- OK, OK. Pick it up.

- I got this.

1176

01:44:22,680 --> 01:44:25,524

Doss. Doss.

1177

01:44:26,760 --> 01:44:29,969

Help. Help me.

1178

01:44:41,440 --> 01:44:45,365

You're gonna have to trust me.

Take a breath.

1179

01:45:44,040 --> 01:45:46,964

Let's go, buddy. Let's go.

1180

01:45:49,400 --> 01:45:52,051

Jack, you don't know

if your men up there are dead or alive.

1181

01:45:52,120 --> 01:45:54,407

You can't go back up there

without reinforcements.

1182

01:45:54,480 --> 01:45:55,576

You'll end up killing the rest of them.

1183

01:45:55,600 --> 01:45:56,656

Then give me the reinforcements.

1184

01:45:56,680 --> 01:46:00,446

I don't have any fresh men, okay?

I don't have any troops.

1185

01:46:00,520 --> 01:46:02,602

Three battalions got wiped out today.

1186

01:46:02,680 --> 01:46:05,365

It'll take more than a day

to get men in here.

1187

01:46:05,440 --> 01:46:07,090

I need them faster than that.

1188

01:47:58,920 --> 01:48:01,730

It's okay, it's okay.

1189

01:48:01,800 --> 01:48:03,325

It's all right.

It's all right.

1190

01:48:04,120 --> 01:48:05,565

Everything's okay.

1191

01:48:22,680 --> 01:48:24,409

Morphine. It's good.

1192

01:48:25,840 --> 01:48:27,922

Shh.

1193

01:49:02,360 --> 01:49:05,170

Pinnick, Pinnick. Pinnick. It's Doss.

1194

01:49:05,240 --> 01:49:08,801

It's Doss. Be quiet.

Be quiet. I got you.

1195

01:49:08,880 --> 01:49:11,884

- Are you hit?

- Yeah. I can't see.

1196

01:49:11,960 --> 01:49:14,281

Be quiet. Just be quiet.

1197

01:49:15,840 --> 01:49:21,643

Hold still now. I got you. Hold tight.

1198

01:49:21,720 --> 01:49:24,451

There you go. Try now. Try now.

1199

01:49:27,120 --> 01:49:30,329

I thought I was blind!

1200

01:49:30,400 --> 01:49:32,801

Shh... Keep it down. Can you walk?

1201

01:49:32,920 --> 01:49:34,251

I don't know.

1202

01:49:34,320 --> 01:49:36,209

We got to get out of here, okay?

Come on.

1203

01:49:49,840 --> 01:49:52,366

Good. Okay, we got you.

1204

01:49:52,480 --> 01:49:53,720

We got you.

1205

01:50:07,480 --> 01:50:09,244

Hey, Ted.

1206

01:50:09,320 --> 01:50:12,688

It's me, it's Desmond.

I'm gonna fix you up.

1207

01:50:14,480 --> 01:50:17,609

- You ready to get out of here?

- Sure am.

1208

01:50:32,320 --> 01:50:36,450

Please, Lord, help me get one more.

1209

01:50:36,520 --> 01:50:38,204

Help me get one more.

1210

01:51:05,880 --> 01:51:08,770

Please, help me get one more.

1211

01:51:27,960 --> 01:51:30,850

One more. Help me get one more.

1212

01:51:43,120 --> 01:51:47,250

One more. Help me get one more.

1213

01:51:50,360 --> 01:51:51,725

One more.

1214

01:51:53,480 --> 01:51:54,845

Coming through.

1215

01:51:57,600 --> 01:51:59,364

Where the hell

are these guys coming from?

1216

01:51:59,480 --> 01:52:00,641

From Hacksaw.

1217

01:52:00,720 --> 01:52:03,451

- I thought they pulled out.

- Not all of them.

1218

01:52:03,520 --> 01:52:06,444

Some nut's up there

dragging wounded from the top.

1219

01:52:06,520 --> 01:52:09,285

Even lowered a couple of Japs.

1220

01:52:09,360 --> 01:52:12,489

They didn't make it.

Back with you directly.

1221

01:52:13,200 --> 01:52:16,283

Easy, easy. All set, move out.

1222

01:52:48,040 --> 01:52:50,008

Get in here.

There's Nips everywhere.

1223

01:52:51,640 --> 01:52:55,281

Son of a bitch.

Private Corn Stalk.

1224

01:52:55,360 --> 01:52:57,408

You are nothing

if not full of surprises.

1225

01:52:57,480 --> 01:52:59,323

You want some morphine?

1226

01:52:59,400 --> 01:53:03,200

- Hell, yes. That or a bullet.

- Okay.

1227

01:53:03,280 --> 01:53:05,521

There. There you go.

1228

01:53:09,240 --> 01:53:12,562

All right, let me see. Let me see.

1229

01:53:12,680 --> 01:53:15,524

How's this doing?

Okay, not bad.

1230

01:53:17,320 --> 01:53:19,288

Let me see.

1231

01:53:19,360 --> 01:53:20,885

It looks much worse than it is.

1232

01:53:20,960 --> 01:53:22,880

Girls will still want to kiss you.

1233

01:53:24,400 --> 01:53:27,609

Sarge, you okay here for a while?

1234

01:53:27,680 --> 01:53:29,887

Yeah, fine. Get out of here.

1235

01:53:29,960 --> 01:53:31,610

I'm coming back.

1236

01:53:31,680 --> 01:53:33,808

You ready? Let's go.

You and me, come on.

1237

01:54:08,720 --> 01:54:11,166

Captain.

There's something you gotta see.

1238

01:54:13,960 --> 01:54:16,247

Our guys have been

coming down in droves all night.

1239

01:54:16,320 --> 01:54:18,720

And Hollywood's here.

I never thought I'd see that guy again.

1240

01:54:18,760 --> 01:54:20,410

Come on, follow me.

He's right here.

1241

01:54:24,240 --> 01:54:26,368

What the hell is this?

1242

01:54:26,440 --> 01:54:27,930

How you doing, sir?

1243

01:54:28,000 --> 01:54:29,365

Hey, Cap.

1244

01:54:29,440 --> 01:54:30,601

Captain.

1245

01:54:33,000 --> 01:54:35,970

- It's good to see you, kid.

- Captain Glover, sir.

1246

01:54:36,040 --> 01:54:37,405

How'd you get down, son?

1247

01:54:37,480 --> 01:54:40,484

Doss. Howell's still up there.

1248

01:54:40,600 --> 01:54:43,046

What, Howell and Doss did this?

1249

01:54:43,120 --> 01:54:45,168

Mostly just Doss.

1250

01:54:45,240 --> 01:54:47,049

- Just Doss?

- Just Doss.

1251

01:54:47,120 --> 01:54:49,600

Yeah, Doss, the coward.

1252

01:56:05,680 --> 01:56:08,923

- You're like gum on a shoe, ain't you?

- Give me this.

1253

01:56:09,000 --> 01:56:11,401

It's a bit late for target

practice now, don't you think?

1254

01:56:15,640 --> 01:56:17,608

- Jump on it.

- You're kidding.

1255

01:56:17,680 --> 01:56:19,489

No, I'm going to drag you.

1256

01:56:24,440 --> 01:56:25,601

Let's do it.

1257

01:56:28,280 --> 01:56:29,520

- Ready?

- Yeah.

1258

01:56:29,600 --> 01:56:30,601

Let's go.

1259

01:56:35,560 --> 01:56:36,971

We got company.

1260

01:56:37,040 --> 01:56:38,610

Come on.

1261

01:56:59,040 --> 01:57:00,565

Arms up.

1262

01:57:01,920 --> 01:57:03,490

You gotta be kidding me, Corn Stalk.

1263

01:57:03,560 --> 01:57:05,520

"You're tying a bowline, boy,

not building a bra."

1264

01:57:06,840 --> 01:57:08,444

Come on.

1265

01:57:11,120 --> 01:57:12,326

- Ready?

- Uh-huh.

1266

01:57:12,400 --> 01:57:13,686

Get on.

1267

01:57:40,400 --> 01:57:42,687

- Put me down!

- Yes, Sarge.

1268

01:57:42,760 --> 01:57:45,331

- Sergeant Howell.

- Doss is still up there.

1269

01:57:47,000 --> 01:57:49,321

- What the hell?

- He's got Japs on his tail.

1270

01:58:21,320 --> 01:58:22,560

We got him.

1271

01:58:22,640 --> 01:58:24,449

That's good. That's good.

1272

01:58:24,520 --> 01:58:26,522

It's okay, we got him.

1273

01:58:31,440 --> 01:58:33,044

Whoa, whoa...

1274

01:58:33,120 --> 01:58:35,930

- It's okay, Doss.

- Come on, Doss, come on.

1275

01:58:36,000 --> 01:58:38,685

- You're safe.

- Come on, Doss.

1276

01:58:54,920 --> 01:58:57,446

Desmond, it's all right, it's all right.

1277

01:58:58,880 --> 01:59:00,211

Desmond.

1278

01:59:02,360 --> 01:59:05,284

Easy, easy. Here, come on.

1279

01:59:11,280 --> 01:59:12,691

Are you wounded?

1280

01:59:13,840 --> 01:59:15,683

Mmm...

1281

01:59:17,200 --> 01:59:19,089

No. No.

1282

01:59:21,640 --> 01:59:24,291

Let's get this soldier

to a hospital tent, right now.

1283

01:59:24,360 --> 01:59:26,840

- Come on, easy now.

- Easy, easy.

1284

01:59:26,920 --> 01:59:28,160

Make some space.

1285

02:00:11,440 --> 02:00:13,966

We need someone

to come and clean up in here.

1286

02:00:16,080 --> 02:00:17,525

Where's Irv?

1287

02:00:17,600 --> 02:00:20,410

- Irv? You mean, Schecter the medic?

- Yeah.

1288

02:00:20,480 --> 02:00:23,689

He didn't make it.

He died of shock. No plasma.

1289

02:00:25,440 --> 02:00:26,566

Sorry.

1290

02:01:02,080 --> 02:01:05,368

All I saw was a skinny kid.

I didn't know who you were.

1291

02:01:10,200 --> 02:01:12,176

You've done more than

any other man could have done

1292

02:01:12,200 --> 02:01:14,567

in the service of his country.

1293

02:01:14,640 --> 02:01:17,166

And I have never been more wrong

about someone in my life.

1294

02:01:18,760 --> 02:01:20,762

I hope one day you can forgive me.

1295

02:01:33,480 --> 02:01:35,608

We have to go back up tomorrow.

1296

02:01:38,320 --> 02:01:40,971

I realize that tomorrow is your Sabbath.

1297

02:01:47,160 --> 02:01:49,561

Most of these men

don't believe the same way you do.

1298

02:01:51,560 --> 02:01:55,804

But they believe so much

in how much you believe.

1299

02:01:58,960 --> 02:02:01,850

And what you did on that ridge,

it's nothing short of a miracle,

1300

02:02:01,960 --> 02:02:03,689

and they want a piece of it.

1301

02:02:06,600 --> 02:02:08,682

And they're not going

to go up there without you.

1302

02:02:20,000 --> 02:02:21,776

What the hell is your delay, Captain?

1303

02:02:21,800 --> 02:02:23,616

You were supposed to begin

that assault 10 minutes ago!

1304

02:02:23,640 --> 02:02:26,450

- We're waiting, sir.

- Waiting for what?

1305

02:02:29,080 --> 02:02:31,924

For Private Doss

to finish praying for us, sir.

1306

02:02:32,000 --> 02:02:33,650

Private Doss is praying for you?

1307

02:02:33,720 --> 02:02:35,529

Who the hell is Private Doss?

1308

02:02:57,280 --> 02:02:58,520

Let's go to work.

1309

02:04:52,480 --> 02:04:54,323

Down. Get down!

1310

02:04:54,400 --> 02:04:57,768

Get on the ground.

On the ground. Now!

1311

02:05:37,400 --> 02:05:39,368

Lay down, lay down.

I got the morphine.

1312

02:05:41,000 --> 02:05:42,923

Let's go, let's get

these men out of here.

1313

02:05:48,600 --> 02:05:52,685

My Bible... My Bible. My Bible...

1314

02:05:52,760 --> 02:05:55,525

Stop. Stop, stop, stop. Stop!

1315

02:05:55,600 --> 02:05:58,126

My Bible, my Bible, my Bible.

1316

02:05:59,040 --> 02:06:00,087

Okay.

1317

02:07:15,480 --> 02:07:19,405

You're going home, Desmond.

We've taken Hacksaw.

1318

02:07:23,520 --> 02:07:25,727

Hold up, hold up! Desmond!

1319

02:07:27,840 --> 02:07:29,001

Desmond.

1320

02:09:15,920 --> 02:09:19,049

I was praying the whole time.

1321

02:09:19,120 --> 02:09:24,365

I just kept praying,

"Lord, please help me get one more."

1322

02:09:24,440 --> 02:09:29,571

When I got this, I said,

"Lord, please help me get one more."

1323

02:09:35,640 --> 02:09:38,086

I would say anyone is wrong

1324

02:09:38,160 --> 02:09:40,128

to try to compromise

somebody's conviction.

1325

02:09:40,200 --> 02:09:43,329

I don't care whether

it's army or what it is.

1326

02:09:43,400 --> 02:09:47,803

When you own a conviction,

that is not a joke.

1327

02:09:49,200 --> 02:09:50,850

That's what you are.

1328

02:09:52,320 --> 02:09:54,561

Even though I said those things to him

1329

02:09:54,680 --> 02:09:55,920

in regard to carrying a rifle,

1330

02:09:56,000 --> 02:10:02,610

then he would never be by my

damn side at all unless he had a rifle.

1331

02:10:02,680 --> 02:10:05,570

But then, in the long run,

1332

02:10:05,640 --> 02:10:10,362

finding out that he was one

of the bravest persons alive.

1333

02:10:10,440 --> 02:10:13,205

And then to have him

end up saving my life

1334

02:10:13,280 --> 02:10:16,443

was the irony of the whole thing.

1335

02:10:16,520 --> 02:10:21,606

Blood had run down

into the fella's face and eyes.

1336

02:10:21,840 --> 02:10:25,731

He was laying there just

groaning and calling for a medic.

1337

02:10:27,040 --> 02:10:34,083

I took water from my canteen,

got some bandage, and I washed his face.

1338

02:10:34,160 --> 02:10:39,007

And when I... was washing his eyes,

his eyes came open.

1339

02:10:39,080 --> 02:10:42,766

Man, he just lit up.

1340

02:10:43,880 --> 02:10:47,805

He says, "I thought I was blind."

1341

02:10:47,880 --> 02:10:50,963

And if I hadn't got anything

more out of the war

1342

02:10:51,040 --> 02:10:55,887

than that smile he gave me,

I'd have been well repaid.

1343
